Search agent manager

Use the Search Agent Manager to create a search, or to edit and run saved searches. You can configure saved searches to have results emailed to you on a regular basis.

Create new search agent

You have no saved search agents.

Search Agent Manager – Be Alerted to Future Job Openings (continued)

Once you click on Create New Search Agent, you will be given search criteria for your future e-mail alerts. You can select how frequently you receive alerts, what functions you are interested in, locations that you are willing to consider, and even keywords relevant to the position you would like to find.

Once you have made your selections, then click the **SAVE** button.
